WEAKLY & BUTHERFORD. DR. BLEDSOE'S ALTERATIVE COMPONED The Remedy over all Remedies for the Diseases of the Liver Dyspepsia, Enlargement and Inflamation of the Spleen Heartburns, Colic Flatalence, Piles, Constripution, all diseases of the Bowels, and such diseases as arise from a

disordered state of the Stomach, Liver or Bouels, as Scrotala and Sover of any kind. For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medica. THE inventor of this preparation was for three years s completely prostrated from Dyspensia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing med-

quently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been advertised. I subjoin the certificate of Prof. M. Gabrert, of Memphis, Tenn., with whom I often advised during the time of my

icine, his success in such cases has been unrivalled. He

Hunrsville, January 12, 1852. Dr. Brerson: -I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so-and I am happy to say that it has entirely cured ber; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia. Giles County, Tenn., Dec. 23, 1851. Dr. Bledsor: -I feel that I should fall short of my duty to you and to those who are allieted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and

Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

-JOSEPH-CAROTHERS. ансе. HUNTSVILLE, Ala., March 3, 1852.

DR. BLEDSOE:—Sir: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as 1 ever did.

The above medicine is for sale in every Drug Store in the city, and most of the towns in the State. G. W. HEN-DERSHOTT, General Agent, for wholesaleing the medicine. Price \$1 per pint Bottle. nov18—1yd tr RAILROAD CONTRACTORS.

The Line will be ready for inspection in Tennessee, on and after the 1st of March, and in Mississippi on and after

Plans, profiles and specifications will be exhibited, proposals received under seal, and contracts made at the following times and places to wit; March 16th to 19th inclusive, at Trenton, for line through Obion and Gibson counties. Some portions of the 1851/2 miles now offered for contracts, are heavy cuttings and fillings, and the whole line very de-sirable work; the light gradings being mostly from side bor-rowing: the line occupies the high, rolling and healthy coun-try intermediate between the Mississippi and Tennessee Rivers, by both of which rivers easy access can be had to all points of the work, by an average land travel of 12 to 40 miles. Within a short time after this letting, 39 miles more and the last of the main road will be ready for contract, together with about 100 miles of branch roads. The attention of Contractors is invited to the work, above

described, as most advantageous for their profitable employment, in consequence of the alluvial character of the country, low price of provisions and animals, and a very temerate and salubrious climate.

A SURE ROAD TO FORTUNE.

WE feel it our duty to urge upon all who have not yet tried their luck in the WHEEL OF FORTUNE, where so many thousands have received a competency for life with but trifling outlays, through the instrumentality of the Great Prize Seller Pyfer & Co. To procrastinate no longer, but resolve to take one or more chances in the SPLENDID SCHEMES FOR MARCH. The first order may place a corespondent in independent circumstances for life, and thereby avoid ages of misery, while a SMALL OUTLAY will enable any person to try the Humor of the "Fickle Goddess," and by one lucky turn of the wheel of fortune may be realized, that would otherwise consume years of toil to acquire.
